

Please join us in assisting the community
this December!

Ring a bell!

**REAL ESTATE
WEDNESDAYS**

HAREP has committed to 5 kettles that you can join and help the community this December. This will take place on the first 3 Wednesdays of December (4th, 11th, and 18th). The times we can use members, families and or friends are in shifts from 10am to 6pm. One or two people can assist and ring the bells. Salvation Army will not have to pay someone to do this so all money collected at these kettles will go directly back into the community.

Here are the locations and lead people to contact about getting scheduled for a shift. Shifts should be 2 hours in length.
