MISSION STATEMENT

"To Advocate sustainable home ownership through educating and empowering the real estate professionals who serve home buyers and sellers, advocating for public policy that supports the trade association's mission and facilitating relationships among industry stakeholder, real estate practitioners and other housing industry professionals"

April 25th, 2016

Dear Friend and Colleagues,

Thank you so much for your interest in sponsoring our XXIV HAREP Guacamole Open, dedicated this year in the memory of our community leader Dr. Ed Valenzuela. This year, portion of the proceeds to benefit our local National Latino Peace Officer Association (NLPOA) a 501C3 non-profit organization.

HAREP is an Arizona and local 501c6 non-profit organization EIN 86-0736113 founded in 1993 by Real Estate Agents advocating to increase the homeownership and sustainability rate of our local Hispanic and the diverse community.

During the years, we have built partnerships with Local and National Non-Profits, Agencies and Organizations like Arizona Home Finance Authority, Maricopa Industrial Development authority, Chicanos por la Causa (CPLC) , Neighborhood Housing Services now Trellis, Arizona Housing Alliance, Desert Mission Housing Counseling, City of Phoenix Housing, Newtown Community Development, NID Counseling, HUD, Fannie Mae, Freddie Mac, Realtor Partners such Those Callaways, Jim Sexton, Russell Shaw and others.

We are fundraising with the generous collaboration of partners and sponsors like you, and we are asking for your sponsorship and participation to join us, and or to contribute with items to be used in our raffle, contests, and silent auction.

The XXIV HAREP Guacamole Open Golf Tournament is an annual event, a great place to showcase and promote your company along with the opportunity to network with Realtors, other business partners within the Real Estate Industry, and connect with our Community.

We thank you in advance for your generous support.

Sincerely,

Delia Wilkens
2016 HAREP President
